HOW TO SEW A FACEMASK

1. **CUT FABRIC**
   - Cut 2 pieces of Quilting Cotton 9" x 7".
   - Cut 2 pieces of 1/4" elastic 7" long.
   - Cut 4 - 18" ties of your choice.

2. **PLACE ELASTIC**
   - Fabric ties
   - Pin a piece of elastic on the top and bottom of the short ends of the rectangle 1/2" from edge to create an ear loop.

3. **PIN FABRIC**
   - Place 2nd piece of fabric on top with right sides together. Sew

4. **SEW FACE MASK**
   - Sew around entire facemask leaving a 2 inch opening allong the bottom for turning. Backstitch over elastic. Turn right side out.

5. **CREATE PIN TUCKS**
   - Fold mask in thirds and press. Create 1/2" pintucks facing upwards using pressed markings as a guide.

6. **TOPSTITCH**
   - 2x around
   - Sew along the outside of the entire mask using a 3/8ths inch seam allowance.
